"Sec. 15-13 Same - Under Municipal Contract.

15-13-1 Definitions. As used in this Section, the following words have these meanings:

- a. The terms "Discriminates," "discriminating," "discriminatory" mean and include:
  - (1) to promote segregation or separation in any manner, to treat any person differently, or to exclude from or fail or refuse to extend to any person equal opportunities with respect to hiring, termination, compensation, or other terms, conditions or privileges of employment, because of the race, religion, sex, color, national origin or handicap of any such person;
  - (2) also, to fail to make reasonable accommodation to the known physical or mental limitations of an otherwise qualified handicapped employee;

  - (4) also, to make, print or publish, or cause to be made, printed or published any notice, statement, or advertisement with respect to employment that indicates a preference, limitation, specification or discrimination based on race, sex, religion, color, national origin, or handicap;
  - (5) the following practices are not included in the meaning of "discrimination":
    - (a) for any not-for-profit association, incorporated or otherwise, organized exclusively for fraternal or religious purposes, to devote its resources to its own religion or denomination, or to give employment preference to its own members,

- (b) for any not-for-profit association, incorporated or otherwise, established for the purpose of offering or providing education, training or other social services and benefits to handicapped persons, to devote its resources to such handicapped persons with respect to such education, training or social services and benefits.

  - (4) this term does not include drug or alcohol abuse or addiction.
- c. The term "obstruct" means and includes the actions of any person knowingly obstructing the fair and lawful enforcement of this Article of this Chapter by coercing or intimidating any complainant or prospective complainant, or any witness to any act of discrimination as defined herein, after such person has received actual notice of a discrimination charge or has been served notice of a complaint filed.
- d. The term "retaliate" means and includes the actions of any person in discriminating against any other person with regard to, or denying any other person access to or opportunities in employment, because any such other person has opposed any practice made unlawful by this Article of this Chapter, or because such other person has made a charge, testified, assisted or participated in any manner in an investigation, proceeding, or hearing under this Article of this Chapter.

15-13-2 Mandatory Covenants. Every contract for or on behalf of the City of Fort Wayne for the construction, alteration or repair of any public building or public work or the performance of any other work or service shall contain provisions by which the contractor agrees, as follows:

- c. That such contractor, subcontractor, nor any person acting on behalf of such contractor or subcontractor will not retaliate against any person.

15-13-3 Enforcement. Enforcement of this Article of this Chapter shall be through order of the Board of Public Works, in the following manner:

- a. Whenever any member of the Board of Public Works, or whenever the Affirmative Action Officer who is assigned to help watch over public contracts has reason to believe that any of the provisions hereof have been violated, the matter may be referred to the Metropolitan Human Relations Commission for investigation and initiation of discrimination charges against the contractor or subcontractor. Cases over which the Commission has no jurisdiction shall be investigated by said Affirmative Action Officer.
- b. A final order of the Metropolitan Human Relations Commission shall be forwarded to the Board of Public Works, which may invoke one of the remedies set forth in Sub Section 15-13-4 hereof. If it is a matter over which the Metropolitan Human Relations Commission has no jurisdiction, the Board of Public Works shall conduct a hearing to determine whether there has been a breach of this Article of this Chapter. In so doing, the Board may call upon the Commission for consultation.

15-13-4 Remedies. Upon finding that a contractor or sub-contractor or any person acting on behalf of such contractor or subcontractor has violated a provision or provisions of this Article of this Chapter, whether discriminating, obstructing, retaliating, or otherwise, the Board of Works may:

- a. Deduct from the amount payable to the contractor by the City of Fort Wayne under such contract a penalty of no less than ten dollars (\$10.00) per day, per violation, nor more than one thousand dollars (\$1,000.00) per day, per violation. Each day on which a continuing violation exists, shall be deemed a separate offense; or,
- b. The Board of Works may cancel or terminate the contract, and all money due or to become due thereunder may be forfeited, for a second or any subsequent violation of this article of this Chapter.
